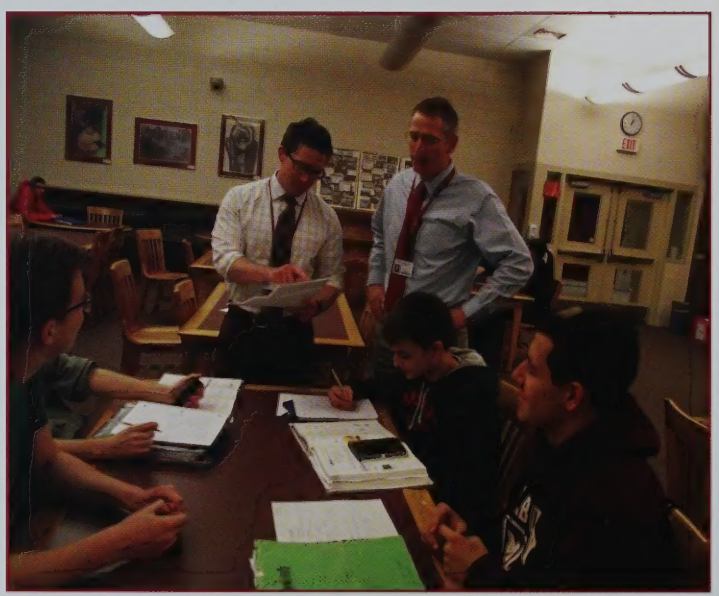
Dedication

The Class of 2015 would like to dedicate their yearbook to Superintendent, Gregory Myers. This year, Mr. Myers began his role as Superintendent of the Millbury Public School District. His ambition and strong leadership qualify him to handle typical responsibilities that fall to the superintendent. Everyone soon learned that it was not his desire to just be a typical superintendent. He has been extremely involved at Elmwood, Shaw, and to our knowledge, especially MHS. Students can spot Mr. Myers walking through the halls of the high school, and supporting students academically. In addition, he can be found among audience members at sporting events and band performances, or as one of the many faculty spectators during Winter Carnival. Many students have become familiar with Mr. Myers and he has even been caught greeting students with expressions like, "What's up, dude?"

Mr. Myers has become a very friendly face, sometimes joining students for lunch to discuss a wide-range of topics. If you haven't met him yet, don't be afraid to introduce yourself the next time you see him; he would love to meet you! He is helpful, friendly, and fits in great with both students and faculty. This year, Mr. Myers quickly proved his dedication to our schools, making him our newest Woolie. As the graduating class, we are very lucky to have spent one year with him before beginning our next journey.



Thank you, Mr. Myers!

Volleyball

"Squad going up, rivals going down. Aim small, miss small." The girls' volleyball season finished a little earlier than expected, but the games and matches leading up to its conclusion were solid team wins. Team and camaraderie were the focus. The team's style of play was a bit different this year; they definitely amped up the plays and worked more with their middles and right sides. This proved to help the team in many of their matches. The graduating seniors had this to say to the returning players: "Great service and hustle plays all around, ladies. We expect a lot from you young-ins next year!!"

"Bump, Set, Spike, Kaikainas be Squad-ing for life."

Football

It was a very well-fought and hard-played season for the varsity football team. The Woolies went 7-4, with a big win on Thanksgiving over Grafton in an overtime victory. The team record does not reflect the true potential of the team. The four losses were all fourth quarter losses by 6 points or less.

The Woolies showed up fearless to every game. The players all ensured that they worked together to the best of their abilities. The guys' efforts in the off-season clearly helped prepare them for the season. Best of luck to the graduating seniors who did a great job leading the team.

"Count on me."

Cheerleading

The cheering squad had a rocky start, trying to adjust to each other, as well as support one another. Throughout the season, the girls feel that they improved as a team. From being safe in their stunts to rocking out on the field, the team always gave it their best. Once they're on the field, they become one. They forget any outside issues and remember why they cheer. They do it for the excitement. The passion that the team had truly showed in all of their halftime shows as well as during practice. The girls always put in the extra effort needed and it definitely paid off. The cheerleaders are really looking forward to next year although they will really miss the graduating seniors.

"Through thick and thin we'll never crack,
we've always got each other's back."

Boys' Soccer

The Millbury Boys' Varsity Soccer team finished their season with a record of 7-8-3. The young team had a number of one-goal games that could have gone either way. Although the team did not receive a playoff birth, the season was not a failure. The boys worked their hardest throughout the season and learned a lot about soccer and teamwork. Next season, the team will have many returning, dynamic athletes who will pick up from where they left off at the end of the season this year and keep getting better. The seniors would like to thank their teammates, coaches, and supporters for an incredible last year. Good luck next year, boys. Go get 'em Woolies!

Girls' Soccer

Millbury Girls' Varsity Soccer started the season off winning nine straight games, averaging five goals per game, and only allowing three goals from the first nine teams they faced. The Lady Woolies went on to achieve a regular season record of 14-3-1, despite talk of having an "off-season." The girls' soccer team was the third ranked seed in the District tournament amongst a very competitive pool. The Lady Woolies won both their first round and quarter final games. The team made it to semi-finals. After a very hard-fought battle, the Lady Woolies lost to Nipmuc Regional, who then went on to win the Division Three State title.

Boys' Cross Country

The boys' cross country team had a successful season. This season they once again had a small and young team. However there is great potential in all the team members and the season was much more fun compared to those of years past. The team really bonded and had a great time, whether it was during practice or meets. The boys worked harder than they had before and developed a strong team. The returning players are definitely looking forward to the future as they continue to grow. Hopefully next year the boys will improve their record even more.

Girls' Cross Country

This year held a lot of really exciting firsts for the Girls' Cross Country team. This was the first year, since 2003, that the girls XC team went undefeated. It was also the first time (again since 2003), that the team won the SWCL championship meet. The girls gave it their all during every meet and always tried their best. It was definitely a group effort to achieve the record that the girls did. It was tough, but the team not only had an amazing season, they also gave their coach, Mr. DiGangi, his 100th career win, after 11 years of coaching. The girls are really proud of their accomplishments!

Golf

This golf season was one to remember, especially for the seniors. The team finished with an impressive 15-5 record. It was a bit of a surprise going 15-5 after coming into the season with an underdog attitude in the SWCL division. Lead by senior captains Colin Huban and Matt Craig, the team had amazing chemistry, getting along very well and working together. There were a lot of laughs this season and some memories the seniors will not forget. The team hopes to improve going forward with some young talent in the underclassmen. The players would like to thank Coach Mazzone for always supporting them, and guiding them each season.

Girls' Basketball

SWCL Champs. Rocket Launchers. Long bus rides with "Uptown Funk". What a great season! The girls' varsity basketball team had some young talent that really stepped up this year to help win some tough games. There were hard-fought battles and some frustrating moments, but the girls managed to stick together as a team and it all paid off. Here is the seniors parting message for the underclassmen: "You all are fantastic individuals, but remember, on the court we work as a unit and we rely on each other. Great season Lady Woolies and best of luck next year!"

"To me, being perfect is not about that scoreboard out there. It's not about winning. It's about you and your relationship to yourself and your family and your friends."

Boys' Basketball

The Millbury Boys had a rough season with only two wins, but they never stopped trying or giving it their all throughout the entire season. The final result was not how they planned it out, but they worked hard all year and with size not on their size they had no "big man game" and no one to collect rebounds. They relied on mostly guard play, and with a couple injuries, this was exactly what the Woolies did not need. The Woolies tried a fast-moving press break and a high-pressure defense. At some points this worked to their advantage, and other times not as well. One thing our boys' team did have was heart; no one wanted to give up or quit, and that is what made the team unique. It was a learning season for the boys and the underclassmen wish the graduating seniors good luck.

Girls' Indoor Track

The girls' indoor track team may have had a really young group of girls this year, but they worked well together and the coaches are really proud of everyone on the team. The girls really focused on building a solid foundation for all of the junior high girls, and believe they have a really bright and promising future ahead of them. The Lady Woolies are so thankful to have all of their girls with them this year! The team would like to thank the graduating seniors for all of their guidance and support. The girls are really looking forward to the coming years.

Boys' Indoor Track

The boys' Indoor Track season went well all in all. The team consists primarily of younger athletes, but the coaches kept the team in line and kept them working so that they could get better, both individually and as a team. The team all worked their hardest in practice and during meets, always giving it everything that they had. While the team's record is not what they were hoping for, they are a young team and will only continue to grow better throughout the next few years. All of the returning players are looking forward to competing next year.

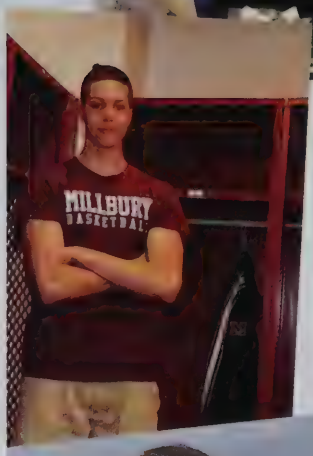
Ryan William Fitzpatrick

I've watched you grow from a small boy into a strong, smart, funny, caring young man. I could not be more proud to call you my **Son**. This is your time. Fly away & chase all of your dreams. Do what you love, what makes you smile & choose with no regret. Love, Mom

Tori Stockhaus

Dear Tori,
You have worked hard and long to get to this point of graduating high school. We are so proud of you. Keep excelling in school and make the most of your life. We love you to the moon and back again.
Mom & Dad



Michael Robert Magnant

At graduation I am wishing you
strength for the future, the feeling of
seeing prized dreams come true,
a bright, carefree spirit,
but also the wisdom to know in your
heart what is most right for you.
And always I'm hoping that you will
remember the thing most important by
far...how much you are loved, how proud
I am always, and how wonderfully
special you are.

Love,

Mum

To: Tori, Allie, Shannon, & Emily

We have been together for the last 13 years and we've watched you grow from little girls with pigtails to beautiful young women on your way to college. You all display courage, character, and confidence that will make the world a better place. Each one of you holds a special place in our hearts. We will miss you and wish you well in all you do.
Love you girls so much

Makenna Cherry

Makenna, we are so proud of you and all that you have accomplished. You are beautiful, both inside and out, don't ever forget that!
Love, Mom, Dad, Jonathan & Emmy.

Erica Bean

Erica, I am so "proud" of you. All your hard work has paid off. I hope you enjoy your time at Westfield. You're a great daughter and friend.
Love you, Mom xo

CONGRATULATTIONS AND BEST WISHES TO MILLBURY HIGH SCHOOL

CLASS OF 2015!

www.millburycu.com

We've found over a million ways to make a difference.

Millbury Savings has been an integral part of the community for more than 160 years. In that time, we've come to believe that to be a good bank, you have to be a good neighbor. That's why we're proud of our long history of giving back generously to the neighborhoods we serve.

In the past two decades alone, we've provided nearly $1.2 million in charitable contributions and other support to a variety of local organizations that help enrich lives and bring people together.

We're looking out for you.
